Cordless Hedge Trimmer

Anti-vibration structure for increased operator comfort.

BUH523Z

520mm

Chip receiver assembly set (option) keeps branch or leaf debris from scattering around, featuring;

- One-touch installation/removal
- Attachable to either side of the blade

Anti-vibration structure

consisting of Motor-crank section and handle section linked by 5 cushions to absorb vibration from blade and motor-crank section

User-replaceable blade

The blade can be removed without disassembling housing.

Stain-free shear blade surface of glittering silver

obtained by non-electrolyzed nickel plating that features high anti-abrasion surface for long lasting coating
