

Straight Grinder
GS5000 125mm

**Ergonomically designed handle
and barrel for added extra
maneuverability.**

Lightweight with large soft grip reduces operator's fatigue.

Ergonomically designed barrel with rubberized cover

Improved durability of gears about two times as tough as the current by;

- (1) Change of the grease
- (2) Modification on the inside of Gear housing for grease to stay on Gears teeth.

Dust cover attachment set (optional accessory)
Part No. 195059-1

protect motor from metal dust.

Rubberized soft grip provides comfortable and sure grip.

Large type trigger switch

Auto Cut-out Carbon Brush

Automatically stops the motor to protect commutator when carbon brush wears out.

Wheel cover in compliance with the regulations.

Hanger bracket (optional accessory)

Part No. 342004-9

can be attached for continuous use with less fatigue.

Includes a
Dead Man Safety Switch
Pressure sensitive switch without lock-on for safety

Straight Grinder

GS5000 125mm

204

Double Insulation

GS5000

Continuous rating Input 750W

Wheel diameter 125mm

Hole dia. 20mm

No load speed (r/min) 5,600
