

SOWETO SMARTTAP ZONE GUIDE

This new rezoning guide aims to help you as a Putco commuter in the greater Soweto region, to easily identify your area of departure and the destination point. For ease of reference, colour coding and alphabets have been used for areas that are now grouped together according to destination and fares, while destination points, are marked alphabetically. Therefore, it should be simpler and faster to find and purchase the correct ticket no matter where you are or wish to go.

The new rezoning structure will be implemented on 1 October 2023.
